PROFESSIONAL SUMMARY

Media Studies graduate with professional experience in video production, social media marketing, and live event coverage. Skilled in digital storytelling with experience leading film festivals, creating branded content, and producing narrative and documentary films. Passionate about creating engaging visual experiences across film and digital media.

PROFESSIONAL EXPERIENCE

AMP PRODUCTION COMPANY

Production Assistant / Videographer

June 2026 – Present

- Captured live-performance, event, and behind-the-scenes footage for a Wonderland-themed Pride event in New Hope, Pennsylvania, including a performance by Kim Petras.
- Operated a Sony FX6 and supported the production team throughout setup and filming in a fast-paced live-event environment.
- Edited footage for promotional and documentary use and provided original footage to a documentary production team.

SUNY PURCHASE ADMISSIONS

Social Media Intern

January 2026 – May 2026

- Created short-form video content for Instagram and TikTok promoting student life and admissions.
- Filmed and edited content using CapCut and Canva.
- Scheduled posts and reviewed performance analytics.
- Collaborated with the admissions team on digital marketing campaigns.

FILM FESTIVAL COORDINATOR

SUNY Purchase

2025 – 2026

- Organized the 2025 and 2026 Film Minor Showcases, coordinating more than 30 film submissions and live screenings.
- Created festival programs, selected screening order, and managed event logistics.
- Designed promotional materials and coordinated social media posts.
- Led outreach initiatives, including podcast documentation promotion and table events.
- Managed projection booth operations and live festival presentations.

CREATIVE PORTFOLIO

STILL PROCESSING

INTERACTIVE WEBSITE + NARRATIVE FILM

Director • Writer • Producer •
Editor • Lead Actor

- Created a transmedia project combining an original short film, interactive website, YouTube video, and TikTok account to explore how social media shapes identity, creativity, and self-perception.
- Wrote, directed, produced, edited, and performed in the project, leading it from initial concept through final completion.
- Authored the accompanying research paper, Algorithms as Co-Authors, examining how cinema, YouTube, TikTok, and recommendation algorithms change narrative structure, audience experience, and the way creators present themselves online.

SHATTERED MELODY

Director • Writer • Assistant Cinematographer • Editor

- Wrote, directed, filmed, and edited an original psychological thriller about a music therapist helping a hit-and-run victim with retrograde amnesia recover his memories, only to find out the truth may be more complicated than it appears.

BECOMING LOLA

Director • Cinematographer • Editor

- Directed, filmed, and edited a 10-minute documentary following transgender drag performer Lola Deville as she prepares for Night of 1,000 Lolas, a career-milestone celebration where fellow drag queens recreate her most memorable performances.
